MEETING PREVIEW

Sunday August 16th, 2020

It only seems like yesterday that horse racing in Singapore was put on hold as the dreaded Corona virus swept the world.

But here we are - only one month back under restricted conditions - the best horses in Singapore head to the start for a million dollar mile and Group 1 glory.

So bravo to all concerned for getting the show back on the road and hopefully for punters, we can find the winner of the Kranji Mile (race 12).

And like most weight-for-age races, it always pays to start at the top of the ratings and COUNTOFMONTECRISTO looks the standout on paper.

COUNTOFMONTECRISTO looks hard to beat in the Kranji Mile.

The 7YO probably hasn't won as many Group races as his honest form over many years at the top level deserved, but he brings winning form to this campaign, loves the mile and given his

style of racing, will have every chance to add this trophy to his cabinet.

In his favour is the fact some of his main dangers come into this with below par performances under their belt, however, his stable-mate, TOP KNIGHT, did have excuses first-up over 1400m and he will be the most likely challenger late.

Don't discount the Derby winner, SUN MARSHAL, first-up over a suitable trip on the back of a good trial and his stable-mate, MR CLINT, also has the Group 1 2019 form to his name and cannot be discounted.

Elsewhere on the bumper 14-race card, the interesting runner is MAKANANI hasn't set the word on fire at her only start in 2020, but given she won the weight-for-age Group 1 Raffles Cup over the mile only four starts back, she only has to be near her best to win against less-credentialed company today.

MEETING PREVIEW

RACE 1: SOUTHERN LEGEND 2018 & 2019 STAKES CLASS 5 (1) - 1200M (POLYTRACK) TIME: 12:00 PRIZE MONEY: S\$30000

Larry says, "Not a bad Class 5 to start the programme with several that put in solid efforts when resuming after the COVID break. OPTIMUM STAR was caught wide before running on well when resuming. He knows how to win in this grade, strips fitter, is well drawn and senior rider Munger replaces the apprentice; that might be enough. COMING UP is another that was caught wide and placed when resuming. An improving Maiden, the extra distance suits and from the better draw he will get a good run. CODIGOS has been a Maiden for a while but was knocking on the door last preparation; he might like longer but trialled well and could sprint whilst fresh. WHISTLE GRAND made ground when resuming and blinkers go back on, he draws to do no work and could be strong late. DRONE, TWILL GUY and SMOKE AND MIRRORS for the exotics. Betting strategy: OPTIMUM STAR to win. "

RACE 2: INFANTRY 2017 STAKES RESTRICTED MAIDEN (1) (2 AND 3 YEAR OLD) (WEIGHT FOR AGE) - 1100M (POLYTRACK) TIME: 12:30 PRIZE MONEY: S\$75000

Larry says, "Very little revealed form in this Restricted Maiden make the market the best guide. OUR SECRET WEAPON is by speed sire Outreach and trialled well. Mark Walker's stable is in form and, despite the wide gate, can be in the finish. TUESDAY is by a top sire in Deep Field and his dam won at 1100m; he was strong in his trial, has a good gate and looks ready to go for Michael Clements and Louis Beuzelin. REAL EFECTO may like longer but he trialled well and can run on for Benny Woodworth. ALMUGIR has the benefit of race experience and from a good gate can make his presence felt. TILSWORTH SYDNEY trialled well and has the benefit of the inside gate. Include JOJU in exotics. Betting Strategy - OUR SECRET WEAPON win."

RACE 3: DEBT COLLECTOR 2016 STAKES CLASS 5 (2) - 1200M (POLYTRACK) TIME: 13:00 PRIZE MONEY: S\$30000

Larry says, "A battlers Class 5 where most struggle to win. SMILING PROUD hasn't won since coming to Singapore but has better credentials than most having won twice in NZ before arrival. He was able to place in Class 4 previously and now having third outing in Class 5 and second-up from a break, is ready to win. HIGH LIMIT is a Class 5 journeyman but all three wins have been at this trip; he will strip fitter for one outing and with Marc Lerner to ride can be in the finish. SILVER JOY made ground when resuming, he would like longer but will get a good run from gate two and should be closing late. SUPER TALENT returned lame last start but placed at his previous outing and can improve. Watch GIANT KILLING at odds on the back of some good trials and include VETRI in exotics. Betting Strategy - GIANT KILLING each-way at value."

RACE 4: STEPITUP 2015 STAKES RESTRICTED MAIDEN (2) (2 AND 3 YEAR OLD) (WEIGHT FOR AGE) - 1100M (POLYTRACK) TIME: 13:30 PRIZE MONEY: S\$75000

Larry says, "Another Restricted Maiden and with most being first starters, the market will be the best guide. The two Michael Clements runners JACKSA and MARDOONA have both drawn wide but importantly have race experience with both having placed on debut. MARDOONA was the more impressive at his only outing and he has the speed to overcome the gate. The Mark Walker-trained LADY ROXANNE has shown little in Singapore trials but did win one trial in NZ before arrival; progeny of the sire Darci Brahma do well in Singapore and from gate 1 she could be prominent. STRONG N SMART looked useful at the trials, is well drawn and bred for speed - watch market. Betting Strategy - Box 1, 2, 9 and 12 in a trifecta."

RACE 5: WAR AFFAIR 2014 STAKES CLASS 5 (3) - 1200M (POLYTRACK) TIME: 14:00 PRIZE MONEY: S\$30000

Larry says, "An ordinary group of Class 5 battlers where none win out of turn, if at all. NINGALOO is a seven-start Maiden who wasn't far away when resuming and has benefited from a trial since; Benny Woodworth takes the mount and from a good gate he might have more upside than the rest. SILVER WAY is resuming, has speed, gets a 3kg claim and has won over the trip previously. SPORTSCASTER would prefer longer but he resumed well two starts back and can be forgiven last outing when checked in the straight; at least he knows how to win having done so four times previously, which is more than any in this field. TAVITO disappointed when resuming but won at this trip previously and can improve. Include MA BAO BAO and TSURIAN in exotics. Betting Strategy - NINGALOO each-way."

RACE 6: CASH LUCK 2013 STAKES CLASS 4 (3) - 1200M (TURF TRACK 'B' (SC)) TIME: 14:30 PRIZE MONEY: S\$50000

Larry says, "With five Class 4 races (three over 1200m) on the 14-race card from Singapore today, the races lack depth and hopefully we can narrow down the winning hopes to three or four here. WATER ROCKET only found one better when resuming on the Poly and looks the one to run down after drawing gate 1. The 4YO Argentinean also has a turf win to his name and rarely runs a poor race and does look better than Class 4. GENTLEMAN AGREEMENT is also honest and while all his career wins have been over 1400m, he is trialling well and 1200m looks ideal first up with gate 3 a bonus. These two look the obvious picks but QUANTUM could easily surprise. The NZ-bred 6YO can be his own worse enemy when finding trouble in races but his work late last start suggests he has more to offer and may be value. The swooper ROYAL PAVILION has not been seen on the turf of late but has won on the surface and will be working home strongly if the race is run to suit. Of the rest, CAVALLA COURT and FLYING TOURBILLION could figure first up on the back of some good trials. Betting Strategy - WATER ROCKET win, saver on QUANTUM."

RACE 7: BETTER LIFE 2012 STAKES CLASS 4 (2) - 1400M (TURF TRACK 'B' (SC)) TIME: 15:00 PRIZE MONEY: S\$50000

Larry says, "An interesting Class 4 where a couple of handy horses are up in grade after finding winning form and it may be the last start maiden winner in KHARISMA who is the one to follow. The 4YO showed plenty at his first preparation when placing at all three runs and his maiden win when blinkers were added first up was easily good enough to suggest he is more than up to Class 4 Company and will be hard to run down. DIAMOND MINE broke his maiden three starts back and knocked in his second career win last start in Class 5. This is obviously harder but the 4YO has found form and should figure in this finish with best work expected late. A horse with the runs on the board in this company is GOLD CITY and given he has first up form in similar races to this, he must be respected. AFALOHNR0 can also have a big say in what is a suitable race with blinkers added after an eye-catching first up run on the Poly. Keep QIJI DIAMOND safe with Louis Beuzelin up, while GOLDEN THUNDER and BORN TO WIN are both good value options on eye-catching last start runs. Betting Strategy - KHARISMA win."

RACE 8: BETTER THAN EVER 2010 & 2011 STAKES CLASS 4 (2) - 1200M (TURF TRACK 'B' (SC)) TIME: 15:30 PRIZE MONEY: S\$50000

Larry says, "A tough race to line up form-wise with a couple of promising types coming off poor runs up against a Class dropper who looks horribly out of form but can win in Class 4. The Class dropper is UNCONQUERED who is having his first run for the Leslie Khoo stable after having excuses not to finish closer when resuming in Class 3. The 8YO has trialed very well since and hopefully provides some value for punters who thinks he improves back in suitable company. AMORE AMORE and ATLAS are also in the mix after showing ability at three and four career starts respectively. AMORE AMORE did it tough last start and from gate 3 you would imagine he gets the favours and can win on the back of a good trial. Likewise, ATLAS had excuses last start not to be in the finish and gate 2 certainly helps his cause with R Maia up. The other horse that wins without surprising is the ex-Godolphin 4YO, HEAD HUNTER, who placed at his Singapore debut and will appreciate 1200m on the turf, while ADMIRAL WINSTON is yet to place on the turf but his last start win good enough to follow here. Betting Strategy - UNCONQUERED each-way."

RACE 9: WAIKATO 2009 STAKES CLASS 2 - 1600M (TURF TRACK 'B' (SC)) TIME: 16:00 PRIZE MONEY: S\$85000

Larry says, "A terrific Class 2 mile with a horse or two progressive enough to think they could have a say in Group races sooner than later. PAX ANIMI is one of them and the 5YO has impressed since arriving from Australia winning three from five with excuses at his only poor run, which was in Group Company. This is a step up from his last start Class 3 win but with no weight, he must be a winning hope. Likewise, MINISTER is up in Class after winning at his last start but given his only poor run was at his Singapore debut in Group Company, he is one to follow. But at the top of the weights and ratings is MAKANANI who should really be running in the Kranji Mile. True, he was only fair when resuming over 1400m in Class 1 Company, but he won the WFA Group 1 Raffles Cup over a mile only four starts back suggesting he wins this if anywhere near his best. The race has depth though and some value may be found in the likes of SACRED CROIX and PER INPOWER who will be running on strongly. Betting Strategy - MAKANANI win."

RACE 10: TOP SPIN 2008 STAKES CLASS 4 (1) - 1400M (TURF TRACK 'B' (SC)) TIME: 16:30 PRIZE MONEY: S\$50000

Larry says, "A tricky race for punters with another seemingly out-of-form Class dropper some hope at the top of the weights and the two emergencies both winning chances if they get a start. But starting at the top, CENTENARY DIAMOND will find Class 4 to his liking after some good form in better company last preparation. The 5YO also had excuses last start and gets blinkers added after some good trials so can win with a handy 3kg claim a bonus. On recent Class 4 form, MIG PIERO probably starts favourite as he had excuses last start (returned a roarer) and should more than handle the turf and 1400m with Marc Lerner to ride. LIM'S SPIN won his maiden last start in fine fashion and while this is obviously tougher, he is trialling well and Ronnie Woodworth should give him every chance. It's hard to leave MR ALEJANDRO out of winning calculations given he just missed when resuming in a similar affair to this and, as mentioned, the two emergencies in ELITE REMARKABLE and BASILISK both go very close if they get a start. Betting Strategy - CENTENARY DIAMOND each-way, saver on ELITE REMARKABLE is he gets a start."

RACE 11: SETEMBRO CHOVE 2007 STAKES CLASS 4 (1) - 1200M (TURF TRACK 'B' (SC)) TIME: 17:00 PRIZE MONEY: S\$50000

Larry says, "This is easily the best of the Class 4 races today and while we are happy to have a long look at the likes of MIGHTY GENERAL, FIRST CHIEF and EXDREAM, the exciting KNIGHT LOVE is the one to be on. The US-bred 3YO was impressive when winning easily at his race debut on the turf and would have lost few friends with a fighting second placing on the Poly at start two. You could argue he was on the worst part of the track on that occasion and although he meets some handy types here, he looks better than Class 4 and will be hard to hold out. Of the others mentioned earlier, MIGHTY GENERAL had some traffic issues and his work late at just his second start in Singapore was very good and he must be respected, while EXDREAM battled on well at his Singapore debut to just miss a place and doesn't need to improve much to play a part in this finish. Given it's Kranji Mile day, a Hong Kong horse usually wins at least one race and FIRST CHIEF could fly the flag. The 6YO only managed one placing from nine starts in Hong Kong but has shown more than enough at two Singapore starts to think he can win a race sooner than later at Kranji and why not today? Keep BAFFERT safe at value, as he will enjoy the turf in Class 4 off a good trial. Betting Strategy - KNIGHT LOVE strong win."

Larry says, "Another cracking race over 1600m on what is a big day for the milers and it may be CHURCHILL who will 'never surrender' in what could be a very busy finish. The former Australian has won two from four since arriving and his first up win over 1200m on the Poly was good and he looks hard to beat again with gate 3 over 1600m a bonus. But he will need to improve as LOYALTY MAN was in the winning mix last start over 1400m and he will be strong to the wire with the downgrade to winkers, while DESTROYER ECLIPSE probably leads from gate 2 and he will be hard to pass with a handy claim. The winning hopes don't stop there with LUCK OF MASTER looking like he had plenty more to offer with his strong work late last start, while SO HI CLASS has shown more than enough since relocating from Malaysia and he may be value. 4	CHURCHILL	2171			R Woodworth	R Le Grange	3	76	57.5	***	3.00
	Very progressive type who only missed a place in Singapore when tackling Group Company. Hard to beat with step up to the mile ideal.										
5	MAT SMART	17110			App Zx Tan	S Burridge	4	76	57.5	*	33
	Didn't bring Malaysian form to Singapore debut and prefer to just watch.										
6	HELIOSPHERE	060*60		B, TT	Jp Van Der Merwe	DI Freedman	13	75	57.0	*	33
	Form reads badly but work late last start was promising and could improve at long odds.										
7	DICTON	2**0*7		B, EM	R Munger	C Brown	11	72	55.5	*	33
	Resuming. May need the run and longer.										
8	INHERIT	103771		TT	App F Yusoff	M Walker	16	72	55.5	**	20
	Gate will test with claimer onboard but won well in Class 4 last start and will be competitive with luck in running.										
9	GLASGOW	666500		B	K A'isisuhairi	S Burridge	15	71	55.0	*	33
	Only battled away first up and gate a concern but could improve with blinkers added.										
10	VITTORIA PERFETTA	123360			S John	M Clements	10	71	55.0	**	12
	Never involved from wide gate last start but would have a say with a more positive ride.										
11	STAR JACK	765770		B, EM	M Lerner	H Takaoka	12	70	54.5	*	33
	Will be running on but like to see over longer.										
12	LUCK OF MASTER	361164		WK	R Maia	D Koh	1	69	54.0	***	12
	Was very strong on the line last start and could win a race like this is race run to suit swoopers.

	Up in Class after Class 4 win but looks to have some upside and pay to follow.

15	BUDDY BUDDY	910425	E1			J Saimee	6	68	53.5	***	12
	Was in the exotic mix when resuming over 1400m and mile suits. Goes close if he gets a start.										
16	WIND TRAIL	31*240	E2	B		H Takaoka	14	68	53.5	*	33

MEETING PREVIEW

RACE 14: REALLY GOOD 2005 STAKES NOVICE (SET WEIGHTS) - 1200M (TURF TRACK 'B' (SC)) TIME: 18:30 PRIZE MONEY: S\$75000

Larry says, "An interesting Novice with seven last start winners engaged. I AM SACRED couldn't have been more impressive bolting in at his Singapore debut; this is harder but he shows promise and with the 3kg claim for Nizar can go forward and be the one they have to pass. DELAWARE was caught wide and fought on well in Class 4 Company when resuming; he showed promise last preparation and is well treated with a 3kg claim. The interesting runner is IRONCHAMP who brings Geelong Maiden form over 1400m; he might like longer but his trial was strong and could perform fresh - watch for support. HEAVENLY DANCER showed promise at debut but needs to overcome the gate. FREY won well on debut and has trialled well since and SAVVY COMMAND is also worth thought on his tough debut win. Keep BRUTUS safe at value. Betting Strategy - FREY each-way."

2	IRONCHAMP				App Wh Kok	S Burrige	2	59	58.0	***	6.00
	Won Geelong Maiden over 1400m at last start and finished top four at five previous outings. Trialled well and from good gate should be prominent.										
3	I AM SACRED	1			App M Nizar	M Walker	6	58	58.0	***	4.00
	Bolted in at only Singapore outing. This is harder but shows promise and should be prominent.										
4	SAVVY COMMAND	1			App K Hakim	M Walker	8	58	58.0	***	6.00
	Led throughout to win Maiden on debut. This is harder but claim helps and will be near the speed.										
5	DELAWARE	310**3		B	App N Zyrul	DI Freedman	4	57	58.0	***	6.00
	Caught wide and fought on well in good Class 4 company when resuming. Showed promise last prep and well treated with 3kg claim.										
6	HEARTENING FLYER	1			L Beuzelin	M Clements	9	57	58.0	***	6.00
	Won 1200m Maiden on poly on debut with heavy support. This is harder and awkwardly drawn but have to respect.

10	FREY	1		B	Jp Van Der Merwe	J Peters	10	56	55.5	***	12
	Too strong over 1000m on poly at first Singapore outing. This is harder but has improvement on the back of a good trial.										
11	YOU QIAN ZHUAN	5*6355			M Lerner	J Lim	5	50	55.5	*	50

12	BRUTUS	2323*2			R Maia	M Walker	14	56	55.0	**	50
	Maiden which has placed at six of seven outings. Gate not ideal but ran Heartening Flyer to the wire last start so keep safe.
