

# SINGAPORE TURF CLUB MEETING PREVIEW

**Sunday March 15, 2020**

Another solid days racing from Singapore with most races having plenty of depth which should make for good punting.

And the good racing starts early with an intriguing Restricted Maiden (race 2) where BRUTUS probably starts favourite on the back of four good placings' from four career starts but faces some handy newcomers in HEAVENLY DANCER, LATENT POWER and PERFECT ME.

**Ricky Le Grange has a handy type in ROCKET STAR in his stable and the 3YO can get back into the winners circle in race 3.**

All three have impressed at the trials and obviously the market will be a terrific guide on the day with perhaps PERFECT ME the pick of the bunch and Simon Kok will get the favours from gate 2.

Race 3 also looks an interesting affair and while ROCKET STAR will start favourite and looks very hard to beat, the 3YO will need to be on his game with the likes of ELITE REMARKABLE, IMPLEMENT, SO HI CLASS and MAGNIFICANT GOLD all ready to win.

The best race on paper is later on in the card (race 9) where the impressive COMING THROUGH looks a good chance to knock in his fourth win from his last five starts but like ROCKET STAR, he faces stiff opposition with SALAMENCE down in grade and the likes of RICHEBOURG and ELITE CONQUEST resuming with nice trials under their belts.

**Singapore apprentice - S Shafrizal - picked up points in the Australian National Apprentice Series in Perth on Wednesday.**

**It was drinks all round at the Iron Clad Hotel in Marble Bar when Ironclad won in Singapore last Saturday.**

**RACE 1: CLASS 5 (1) - 1400M (TURF TRACK 'E' (LC)) TIME: 13:00 PRIZE MONEY: S\$30000**

*Larry says, "A competitive Class 5 with most being relatively new to the grade having spent time in Class 4. RUNMINDERBINDERRUN's only win was at 1400m and he has been close up at his past four outings, three of which were in Class 4 before being runner-up last outing in Class 5; blinkers stay on and with Vlad Duric to ride he gets another chance to break through. Another recent class dropper in STARDICE has placed at both outings in Class 5; he is awkwardly drawn but 1400m may be what he needs. STORM TO WIN has won at the trip and would only need to repeat his Class 4 placing of four starts back to win. HOSAYLIAO mixes his form but he put in a good effort to place over this trip last start despite the saddle shifting; a repeat would see him in the finish. Include ALLEGRO and SUN FORMATION in exotics. Betting Strategy - RUNMINDERBINDERRUN win."*

Larry says, "Most of these are first starters or lightly raced. Of the raced brigade, BRUTUS had one run in Australia before arrival and has placed at all four outings in Singapore, the most recent in a Novice where he was slowly away; he drops back to Maiden class and will be hard to run down with 4kg claimer Hakim staying aboard. WINNING SPIRIT showed speed before being run down last start, 1000m suits and he should be prominent. Of the first starters PERFECT ME won his trial easily and looks a horse to follow, LATENT POWER looks a speedster and could give a sight, while HEAVENLY DANCER looked more than capable at the trials with market best guide. Larry says, "Most of these have been trying for a while and have shown little. LIM'S TRAVEL's only placing in seven starts came over 1600m and while he did nothing when resuming in Class 5, he gets blinkers and the step up to 1800m should suit in a weak field. The Takaoka-trained IRON FIST has been trying for a while but he placed over 2000m last start and will run this trip out better than most. CODIGOS has placed at his past four outings on poly, his turf efforts have been moderate but this trip may suit. Others that might show up include HUNTSMAN from gate one and GLORIOUS VICTORY who battled on over 2000m last start. Betting Strategy - LIM'S TRAVEL small win."

Larry says, "A very weak Class 5 and the two that stand out are the veteran MINGS MAN and the perpetual placegetter MR ROCKWELL. MINGS MAN is a 10YO has never been the most reliable but he has won nine races, six more than the rest of the field combined. Three starts back he beat MR ROCKWELL over this trip and if he repeats that effort will win again. MR ROCKWELL finally broke through six starts back over this trip and has placed at four of five subsequent starts; he is well drawn and with a 3kg claim for Zyrul will be in the finish. FIREWORKS only battled when resuming but his only win was at this trip and his form last preparation was solid in this grade. The stablemate NATE'S HONOUR returned with cardiac arrhythmia when resuming; he is poorly drawn but placed at his previous two outings and this distance suits. *Larry says,* "A Class 3 mile with many chances and while the E Course may suit the likes of DESTROYER ECLIPSE and WECANDO who will race forward, it's a wide-open affair and a busy finish is expected. Of the two on-pace runners, DESTROYER ECLIPSE gets to jump from gate 4 (WECANDO in 9) and that may be the key given Duric can dictate terms and he should be very hard to run down despite the big weight. But there are too many progressive horses down in the weights that win without surprising. HARDCORE had excuses last start (traffic) and his work late suggests he is in good form and can win this, while GLOBAL KID - although yet to win in Singapore - was in the winning mix last start and should figure with 53kg. **RACE 7: CLASS 5 - 1600M (POLYTRACK) TIME: 16:05 PRIZE MONEY: S\$30000**

Larry says, "The usual Class 5 raffle round two bends and with some of the fancies drawn wide, luck or a smart ride will play a huge part. Of those that can win but have a wide draw to contend with, SPORTSCASTER (gate 14) gets Duric and is in form so should figure, SCOOTER (11) won very well in an albeit weaker field last start, while the maiden, LAGO DE COMO (10), will appreciate Class 5 and is some hope on the back of a Poly placing last start. Of those drawn favourably, SMILING PROUD drops in Class, gets blinkers and a tongue-tie and more importantly steps up to a suitable trip, while LUCKY TIGER is also up to a suitable trip with blinkers added so can be considered. # SINGAPORE TURF CLUB MEETING PREVIEW

**Sunday March 15, 2020**

**RACE 8: CLASS 4 (2) - 1200M (TURF TRACK 'E' (LC)) TIME: 16:35 PRIZE MONEY: S\$50000**

Larry says, "Plenty of winning hopes (again) in this Class 4 turf sprint but BUURAQ looks a horse to follow through the grades and can win again. The 3YO had an inauspicious debut but has done little wrong since, winning twice and placing three times from his next five starts. He does have an extra 2.5kg to carry but from gate 7 he will get every chance to show his best. BLACK QUAIL wasn't beaten far behind BUURAQ last start and gets a 1.5kg swing in the weights so must be considered, while a horse like QUANTUM could be a good value pick given he has been luckless of late and has been running on. The Class dropper is BAFFERT whose lack of winning form is a concern and the same can be said of OUR PINNACLE who resumes with an excellent trial under his belt but he doesn't win out of turn. CHOCANTE another that wins without surprising and include SUN RECTITUDE and SILENT FORCE in exotics. Betting Strategy - QUANTUM each-way."

# SINGAPORE TURF CLUB MEETING PREVIEW

**Sunday March 15, 2020**

**RACE 9: CLASS 3 - 1200M (POLYTRACK) TIME: 17:05 PRIZE MONEY: S\$70000**

Larry says, "A Class 3 with plenty of in-form horses with the punting waters muddied by a couple of handy types in RICHEBOURG and ELITE CONQUEST resuming. Vlad Duric jumps on RICHEBOURG and the 5YO doesn't have to improve much from his last campaign to win, while ELITE CONQUEST gets his chance to knock in his first win in Singapore after an eye-catching recent trial. But the bang-in-form horse is COMING THROUGH and he looks the horse to beat. The 4YO has won four from seven starts and with only 1.5kg extra to carry on his last start win in a similar affair, he should be hard to hold out. SALAMENCE is also in the winning mix given he will find this a lot easier than the Silver Bowl, while BEAU GESTE has a wide draw to contend with but can win with luck for his 4kg claimer. HUGO the emergency can also win. Betting Strategy - SALAMENCE each-way."

**RACE 10: CLASS 4 (1) - 1200M (TURF TRACK 'E' (LC)) TIME: 17:35 PRIZE MONEY: S\$50000**

Larry says, "What a cracking race to finish the night and all things being equal, it should be a mad dash early and survival of the fittest late. CHARGER drops in grade and has the early speed to make us of the good gate and if he gets any peace out front, he will be hard to pass. QIJI ACHEEVA is in very good winning form, is more than up to Class 4 and if he gets some luck early from the wide gate, he could lead them a merry dance, But the fly in the on-pace runners ointment may be the newcomer from Hong Kong in FIRST CHIEF. The 5YO didn't manage a win in Hong Kong but placed at his last start and won twice in Australia prior; his trial form suggests he is up to this to his eyeballs and well worth thought. Plenty of other winning hopes including the progressive ATLAS who appreciates a good up run and TRAPIO also looks ready to win again. CHALAZA will get back and run on strongly but the E Course may not suit. Betting Strategy - FIRST CHIEF win."

No.	Last 5	Horse Name	EA	Gear	Jockey	Trainer	Bar	Rtg	Wt	Stars	Odds
<b>Selections - 3, 1, 8</b>											
1	363559	Charger			App Wh Kok	J O'hara	5	67	59.0	***	6.00
	Drops in Class after doing it tough last start. Will go forward and very hard to run down.										
2	432693	Chalaza			V Duric	S Burrige	13	64	57.5	***	8.00
	Will get back from wide gate and be doing best late but will need race run to suit swoopers.										
3		First Chief			M Lerner	J Tan	1	64	57.5	***	6.00
	Arrives via winless HK campaign after two wins in Australia. Company should suit and trials like he has a big say.										
4	250*32	Trapio		TO: WK	L Beuzelin	M Clements	8	64	57.5	***	6.00
	Placed behind a nice type last start this trip and more forward run expected with winkers added here.										
5	1*14	Atlas		B	M Rodd	C Brown	7	62	56.5	***	6.00
	Not disgraced when missing a place first up and work late suggests he improves so can seriously consider.										
6	5543*7	Restrained		B	R Munger	R Le Grange	11	62	56.5	*	20
	Honest enough but drawn wide and back in trip so easier to ignore.										
7	*50894	Lord O'reilly		WK, TT	T Rehaizat	L Khoo	2	60	55.5	*	20
	Solid last start but has had a few issues of late (roarer) so looks a risk.										
8	31341	Qiji Acheeva		B	P Moloney	D Logan	10	60	55.5	***	4.00
	Progressive type who is up to this company, has pace to overcome wide gate and give a sight.										
9	*22920	Eastiger		B	R Maia	DI Freedman	12	56	53.5	**	12
	Resuming. Too honest to leave out completely over 1200m but gate will test in this field.										
10	*60660	Lincoln County		B	M Zaki	Ky Young	3	53	52.0	*	33
	Just fair last start and this field looks strong.										
11	5360*8	Lizaz			Jp Van Der Merwe	S Gray	4	52	51.5	*	33
	Solid without being a threat of late and may be looking for easier Company.										
12	84*0**	El Chapo		B	App Zx Tan	J Lim	6	50	50.5	*	100
	Resuming after long break and needs easier.										
13	30549*	Boom Shakalaka	E1	B, TT		S Baertschiger	9	48	50.0	*	20
	Form better than it reads but love to see in Class 5 and happy to wait.
