

SINGAPORE TURF CLUB MEETING PREVIEW

Friday March 20, 2020

In uncertain times in racing circles worldwide, Singapore Racing remains a constant with punters still permitted on-course and a quality Friday night meeting to look forward to.

And the standalone Friday nine-race card is a beauty with the Group 2 Stewards' Cup the obvious highlight.

The second-leg of the Four-Year-Old Challenge, the Stewards' Cup has attracted the cream of the age crop, although without the winner of the first leg - BOLD THRUSTER - who is not suited over the mile.

TOP KNIGHT has a Group 1 win over the mile on his CV and he can add the Stewards' Cup to his list of achievements on Friday.

Business as usual at Kranji!

And astute punters would remember that BOLD THRUSTER won the first leg of the Three-Year-Old series in 2019 when beating TOP KNIGHT over 1200m.

TOP KNIGHT won the next two legs - including the Group 1 Guineas - and given he ran second to BOLD THRUSTER in the Silver Bowl in February, history can repeat itself with the mile of the Stewards' Cup and the 1800m of the Derby ideal.

But the Four-Year-Old group of horses look stronger than what he faced as a 3YO and the likes of ARAMAAYO, SIAM BLUE VANDA and PAX ANIMI - just to name three - will keep TOP KNIGHT honest.

Elsewhere on the card, the exciting MR MALEK looks up to Class 3 Company in race 5 and while it's often tough for lightly-raced 3YO's at that level, he just wins too well not to be the one to beat.

Lee Freedman has a handy type on his hands in MR MALEK and the 3YO can beat his older rivals in race 5.

SINGAPORE TURF CLUB MEETING PREVIEW

Friday March 20, 2020

RACE 1: WHAT'S NEW 2019 STAKES CLASS 5 (1) - 1200M (POLYTRACK) TIME: 18:20 PRIZE MONEY: S\$30000

Larry says, "A top heavy Class 5 to open the stand-alone Friday meeting and LIM'S SHOT down in grade looks the one to beat. The 7YO just missed in Class 4 over 1000m last start and a repeat of that effort from gate 2 with S Noh up has him hard to hold out late. In saying that, OPTIMUM STAR is in form and very much appreciates being back on the Poly in this Company and may even sneak out to some value. If there was a danger to this pair, the maiden HOUSEHOLD DYNASTY has looked due and given he is the only 3YO in the race, he has more upside than most (if not all) and should figure. The blanket goes over HIGH STREET, ONE WORLD, RED CLAW and MAGNUM FORCE in exotics. Betting Strategy - OPTIMUM STAR each-way."

SINGAPORE TURF CLUB MEETING PREVIEW

Friday March 20, 2020

RACE 2: ELITE INVINCIBLE 2018 STAKES RESTRICTED MAIDEN (2 AND 3 YEAR OLD) (WEIGHT FOR AGE) - 1200M (TURF TRACK 'B' (LC)) TIME: 18:50 PRIZE MONEY: S\$75000

Larry says, "A tricky Restricted Maiden with no standout on raced form or trial form and the market will be a terrific guide on the day. Stephen Gray saddles one - possibly two - runners with winning hopes and LIM'S SPIN must be respected. The 3YO had excuses when looking some hope on debut and given he has trialled well since and J Powell gets to jump from gate 3, he should go close. Gray may also saddle the emergency runner - KHARISMA - and his race form certainly has him having a big say in this field. Of the others with race form that warrants consideration, UNSTOPPABLE GIANT was disappointing on debut but appreciates being on the turf, while LADY FAST placed on debut and she has to be respected. Of the debutantes, ARAMAYA has certainly trialled well enough to win, as has RAGING BRAVE with market best guide on both. Betting Strategy - LIM'S SPIN win."

RACE 3: ALIBI 2017 STAKES CLASS 4 (2) - 1400M (TURF TRACK 'B' (LC)) TIME: 19:20 PRIZE MONEY: S\$50000

Larry says, "A wide open Class 4 1400m event and while a winner on the back-up in KIMITONARA probably starts favourite and can win again, it may pay to look elsewhere for some value. FLYING TOURBILLON had excuses last start and while his recent form reads only fair on paper, he has always shown potential and this race looks suitable to show his best with blinkers added. GALAXY STAR could also be forgiven for an unplaced run last start - he didn't handle the wet track - and with Duric up from gate 5, he should figure, while THUNDER DRAGON has respiratory issues last start and he can win on form prior. As mentioned, KIMITONARA dead-heated last Friday but had excuses not to be the sole winner and has to be a big show here, while LORD OF CLOUD is better than what he showed last start and should be value. Keep the first emergency - ST ALWYN - safe, as he looks due on the turf. Betting Strategy - FLYING TOURBILLON each-way, saver on LORD OF CLOUD."

RACE 4: TITANIUM 2016 STAKES CLASS 5 - 1600M (TURF TRACK 'B' (LC)) TIME: 19:50 PRIZE MONEY: S\$30000

Larry says, "You can make a case for most of these runners and given it's a Class 5 mile, good luck if you can find the winner. Two maidens in HWASONG and MERCURIAL TURN must be considered seriously. MERCURIAL TURN just missed in a similar affair last start and from gate 2 with L Buezelin up he gets every chance, while HWASONG is having his first start in Class 5 and his three maiden runs good enough to win this. There are three last start winners in the race - LIM'S PRIDE, DIAMOND MINE and ZOFFSPEED - and all three have to be respected, while AMAZING CHOICE, SUN SPEAR, MILLENIUM'S RULE and LIM'S RHYTHM are all well placed to win. Go wide in exotics. Betting Strategy - HWASONG win."

**RACE 5: WAR AFFAIR 2015 STAKES CLASS 3 - 1200M (TURF TRACK 'B' (LC)) TIME: 20:20
PRIZE MONEY: S\$70000**

Larry says, "A very good race with a very progressive 3YO in MR MALEK the one to beat. The NZ-bred gelding looks destined for bigger and better races than this and while drawn wide in 13, his recent wins have all suggested he is a horse to follow and he will be very hard to beat. In saying that, LIM'S CRAFT will find this a lot easier than the Group Company he faced last start and he is always a winning show in Class 3, while BIRAZ has also been running in Group Company of late and the turf this trip looks suitable. MAKKEM LAD is another horse that looks progressive enough to follow and his first-up win was good, while RED ROVER and WASSERGEIST can both keep the likely favourite honest with value the key. LIM'S MIGHTY and SO YOU TOO for exotics. Betting Strategy - MR MALEK win."

SINGAPORE TURF CLUB MEETING PREVIEW

Friday March 20, 2020

RACE 6: EMPEROR MAX 2014 STAKES CLASS 5 (2) - 1200M (POLYTRACK) TIME: 20:50 PRIZE MONEY: S\$30000

Larry says, "A terrible race and while we will try to make a winning case for three or four of the runners, it's a raffle with the market best guide. HIGH LIMIT is officially out of form but drops in grade and is always some hope on the Poly; watch for stable support but he could win comfortably on best form. KRANJI GOLD is the 'form' horse in the race after running on to place last start and you would expect connections to be confident of another strong showing in this field. TAVITO ran fourth in a weak one last start and that form may well hold up here, while PENNSYLVANIA looked to have some in hand last start and could run a cheeky race here from gate 3. Betting Strategy - small win HIGH LIMIT."

**RACE 7: SPEEDY CAT 2013 STAKES CLASS 2 - 1400M (TURF TRACK 'B' (LC)) TIME: 21:20
PRIZE MONEY: S\$85000**

Larry says, "Some good quality horses make up this Class 2, which should ensure a competitive affair. SIAM WARRIOR has won three on end and has a good gate; the step up in Class and 1400m may test but he will give a sight for Daniel Moor. THREEANDFOURPENGE has won his past two outings over 1600m but drops back in trip and will be running on. PASSPORT TO ROME is in solid form and has won at this trip; he is better drawn than last outing, will get a good run and should be in the finish. YABADABADOO is capable fresh on the back of a nice trial and has won at the trip in this class; watch for support. SACRED REBEL showed some improvement last start and on best form can get in the finish. Betting Strategy - SIAM WARRIOR win, saver on YABADABADOO. "

SINGAPORE TURF CLUB MEETING PREVIEW

Friday March 20, 2020

RACE 8: STEWARDS' CUP (2ND LEG OF SINGAPORE 4-YEAR-OLD CHALLENGE) GROUP 2 (SET WEIGHTS) - 1600M (TURF TRACK 'B' (LC)) TIME: 21:50 PRIZE MONEY: S\$400000

Larry says, "The cream usually rises to the top in these set weight classics and the highest rated horse in the race is TOP KNIGHT. True, he has been beaten at all three outings this time in but has a perfect record of three from three at 1600m and under the conditions he is well placed to win. ARAMAAYO beat TOP KNIGHT first-up but only battled in the Silver Bowl. He should be fitter two runs in and has won previously at Group 3 level in Australia over 1600m; if he runs up to that he will be hard to hold off. PAX ANIMI is a progressive type up in Class but gets blinkers and 1600m will suit; he will get every chance with Michael Rodd to ride. SIAM BLUE VANDA is in good form and wasn't far away from TOP KNIGHT last start, the step up to 1600m won't hurt and he will be running on. ADIPSON ran on well behind Pax Animi last start and has won both starts at this trip; he can get in the finish. Include CHURCHILL, VITTORIA PERFETTA and ON LINE in exotics. Betting Strategy - TOP KNIGHT win."

SINGAPORE TURF CLUB MEETING PREVIEW

Friday March 20, 2020

RACE 9: GINGERBREAD MAN 2012 STAKES CLASS 4 (1) - 1400M (TURF TRACK 'B' (LC)) TIME: 22:25 PRIZE MONEY: S\$50000

Larry says, "Some handy horses in this Class 4 over 1400m though several will need to overcome wide gates. OCEAN CROSSING has been improved by two outings in similar company, will be fitter now and with a good gate he draws to do no work and should be near the speed throughout. IRONCLAD won narrowly in a similar race last start and the weight rise is offset by the apprentices claim; from a wide alley he will go forward and should be prominent for a long way. SACRED JUDGEMENT just missed last start and is improving with each Singapore outing; he is awkwardly drawn but with Vlad Duric is another that can go forward. GENTLEMEN AGREEMENT was tardy at the start last outing and from his wide draw he may have to go back but will run on. Include ROMANTIC, PER INCROWN and the emergency, YOU QIAN ZHUAN, in exotics. Betting Strategy - OCEAN CROSSING win."
