

SINGAPORE TURF CLUB MEETING PREVIEW

Saturday March 7, 2020

Again, some terrific racing from Singapore on Sunday with the 10-race card highlighted by the Kranji Stakes A event over 1800m.

Last start Chairman's Trophy winner, COUNTOFMONTECRISTO, heads the ratings and at the race conditions with a smart 3kg claim, he looks every chance to win again.

COUNTOFMONTECRISTO gives Apprentice Mohd Nizar a chance to show his skills at the top level in race 7.

In fact with the apprentice allowance, he meets SUN MARSHAL at equal weights for beating him a length over the Chairman's Trophy mile but the experience of Ruan Maia on SUN MARSHAL could also make the difference.

GOLD STRIKE and KING LOUIS also come through the Chairman's Trophy and while the latter was disappointing in the Group 2 WFA event, GOLD STRIKE did enough to consider with the extra 200m in his favour.

Elsewhere on the card, HURRIAN (race 3) is backing up after winning very well at his Singapore debut in Class 4 over 1100m on the Poly.

That win was on the back of a debut win in New Zealand and while he steps up in distance (1400m) and carries an extra 2.5kg, he looks a very handy type who might be better than Class 4 Company.

Connections of SUN MARSHAL will be hoping the experience of Brazilian hoop Ruan Maia can turn the tables on COUNTOFMONTECRISTO.

HURRIAN impressed winning at his Singapore debut and can win again on the quick back up in race 3.

SINGAPORE TURF CLUB MEETING PREVIEW

Saturday March 7, 2020

RACE 1: CLASS 5 - 1200M (TURF TRACK 'C' (LC)) TIME: 13:15 PRIZE MONEY: S\$30000

Larry says, "A top heavy Class 5 with four or five with serious chances and most others with none. CHARMING DIAMOND was a capable performer as a 2YO and has placed in Class 4. At his second outing since resuming, the now 3YO was run down over this trip and should strip fitter; his record suggests he is better than Class 5 and with a good gate, blinkers on and a 4kg claim for Hakim, gets his chance. VALENCIA is resuming after placing at all three career outings; he is poorly drawn but gets Vlad Duric, will love Class 5 and can show up fresh. SUN ELIZABETH won one of these two starts back and fought on well last start; the mare is in form and will be running on. Old HOST THE NATION is having start number 99 but the eight-time winner still has zest winning two starts back and boxing on last outing; he might be saving it for next time out but he is capable over this trip. Include STARDICE and MY MONEY in exotics. Betting Strategy: CHARMING DIAMOND win, forecast with VALENCIA."

RACE 2: RESTRICTED MAIDEN (2 AND 3 YEAR OLD) (WEIGHT FOR AGE) - 1600M (TURF TRACK 'C' (LC)) TIME: 13:45 PRIZE MONEY: S\$75000

Larry says, "Some of these maidens have been knocking on the door for a while and plenty in good enough form to win. The Lee Freedman-trained SMOKE AND MIRRORS just missed last start over 1400m, the step up to 1600m looks ideal and he gets his chance to break through. SHEPHERD'S HYMN chased hard last start, he is improving and being by So You Think this distance should suit; Beuzelin stays on and he should be near the speed throughout. MIGHTY VAIN has placed at past his four outings, he getting to the "nonnie" level but is worthy of one more chance. SILKARDO improved to place last outing over 1600m and while he is poorly drawn, he has improved at each outing and should be handy for Duric. Keep STORMY VIEW safe at odds as he improves from a good gate and include SILVER SWORD and FAST AND FEARLESS in exotics. Betting Strategy - SMOKE AND MIRRORS win, saver on STORMY VIEW at value."

RACE 3: CLASS 4 (2) - 1400M (TURF TRACK 'C' (LC)) TIME: 14:15 PRIZE MONEY: S\$50000

Larry says, "A Class 4 with some interesting younger horses involved. HURRIAN has won at both career outings after he bolted in at his Singapore debut on the poly; he backs up quickly and this is a far bigger challenge but winning form cannot be ignored. FIELD MARSHAL showed promise last preparation winning three on end and has resumed with two solid efforts - the most recent a placing over 1600m; he has trialled well since, gets a visor and over 1400m from a good gate with Ryan Munger to ride can sit handy and will be hard to beat. IRONCLAD broke through two starts back and was run down late over this trip last outing; he is well drawn again and will be hard to pass. AFALONRHO was a non-winner in Australia; he broke that tag when winning on debut in Singapore but has reverted to type since. Include PERFECT, FORESTO and CAVALLA COURT in exotics. Betting Strategy - HURRIAN win."

RACE 4: CLASS 5 - 1600M (TURF TRACK 'C' (LC)) TIME: 14:45 PRIZE MONEY: S\$30000

Larry says, " ZOFFSPEED had excuses last start (lame, heavy track) and his previous form at the trip was sound with successive placings; from gate two with Ryan Munger up, he will get every chance. PRINCE PEGASUS was a handy horse before arrival winning four times in Queensland but his only Singapore win came last preparation in this class over 1600m; with four runs under his belt he should be fit enough and with Vlad Duric riding he has more credentials than most in the field with blinker/pacifiers off. One to watch might be RIVER HAPPINESS who placed three starts back over this trip and found 1200m too short last start; he is well drawn and with Alysha Collett can improve. DARLING is a Japanese-bred Maiden trained by Hideyuki Takaoka and may have found a weak enough race. Include TUSCAN ARTIST and EL PRIMERO in exotics. Betting Strategy - small win ZOFFSPEED."

RACE 5: CLASS 4 - 1800M (TURF TRACK 'C' (LC)) TIME: 15:15 PRIZE MONEY: S\$50000

Larry says, "An open race with a number dropping back in trip from 2200m and others stepping up from 1600m. The one with some upside may be the Dissident 3YO, IRON RULER. Trained by Michael Clement, he was having his third-run in this preparation when narrowly beaten over 1600m by MR EXCHEQUER last start; an improving type and with Beuzelin staying on, he can take the 1800m in his stride. MR EXCHEQUER was his conqueror narrowly last start and despite meeting IRON RULER 2kg worse will be prominent again. MAGNIFICENT GOLD has been close up at both outings since resuming, has won at this trip and with Vlad Duric will be running on. One to watch is THUNDER who fought hard to just miss at his third Singapore outing over 1600m and this extra distance should suit having placed over a similar journey at Muswellbrook before arrival. RACE 6: CLASS 3 - 1800M (TURF TRACK 'C' (LC)) TIME: 15:45 PRIZE MONEY: S\$70000

Larry says, "As you would expect in this type of race, most horses have a winning hope and a lot will depend on tempo and luck. In saying that, WIND TRAIL is in cracking form and was in the mix with the smart On Line last start with a gap to the rest of the field over this trip; Munger jumps on and he looks the benchmark. LUCK OF MASTER is up in Class but on the back of two wins he is obviously in form and is progressive enough to give this a shake. RACE 7: KRANJI STAKES A (SET WEIGHTS) - 1800M (TURF TRACK 'C' (LC)) TIME: 16:20 PRIZE MONEY: S\$100000

Larry says, "A mini feature with some of Singapore's best middle distance horses heading to the 1800m start and at the Kranji Stakes A conditions, a wide-open affair. The best horse in the race is COUNTOFMONTECRISTO and with a smart 3kg claim he is only giving up to 1.5kg to some of Chairman's Trophy opponents and is square with the horse he beat a length in that same race, SUN MARSHAL. So all things being equal over an extra 200m, if M Nizar can give him every chance in a tricky small field, he can win again. Obviously SUN MARSHAL will keep him honest with the experienced R Maia a factor, while GOLD STRIKE loomed some hope in the Chairman's Trophy, gets Duric and should go close with 1800m in his favour. KING LOUIS was disappointing in the Chairman's Trophy but is better than that so pay to keep very safe sans blinkers, while YULONG EDITION could figure second-up. RACE 8: CLASS 4 (1) - 1400M (TURF TRACK 'C' (LC)) TIME: 16:50 PRIZE MONEY: S\$50000

Larry says, "A very solid Class 4 field with Mark Walker having two horses - AXEL and SACRED JUDGEMENT - with serious winning hopes over the 1400m journey. Interestingly, both horses had traffic excuses last start and could have finished a lot closer to the winner in their respective races and not much separates the pair. So punters will have to decide on senior stable hoop, R Woodworth, jumping on SACRED JUDGEMENT or a handy 4kg claim with Hakim on AXEL. Plenty of others that win on recent form, including OCEAN CROSSING who possibly starts favourite after keeping the winner honest when resuming in similar affair, while GALAXY STAR and AUSPICIOUS DAY should both figure at the business end. Include numbers 5, 6, and 7 in skinny end of exotics for value. Betting Strategy - SACRED JUDGEMENT win, saver on AXEL."

Another Walker runner who had traffic excuses and plenty in hand last start in similar affair. Woodworth the key and can win.											
4	45013	Galaxy Star			V Duric	S Baertschiger	11	61	56.0	***	6.00
Ridden quiet last start and ran on well without being a threat. 1400m will suit and can figure late.											
5	818047	Grand Choice		TO:	Cs Chin	D Meagher	5	59	55.0	**	33
Tested at the trip but goes forward and could run a very cheeky race at odds sans blinkers.											
6	57*317	My Boss		B	R Maia	ZI Mok	7	55	53.0	**	15
Won in Class 5 two back but not disgraced when racing on the pace in similar affair last start. Value.

Put in an improved effort for new stable and worth another look in exotics.

9	25*72*	Auspicious Day			A Collett	L Khoo	1	52	51.5	***	8.00

Some better recent efforts on the Poly and may need easier.

Maiden who can find easier.											

SINGAPORE TURF CLUB MEETING PREVIEW

Saturday March 7, 2020

RACE 9: CLASS 3 - 1000M (POLYTRACK) TIME: 17:20 PRIZE MONEY: S\$70000

Larry says, "A very competitive Class 3 and the best form line looks to be from a recent similar affair won by the smart My Dreamliner. Especially so given that horse has gone on to win at KSA level and stamp himself as one of Singapore's best Poly sprinters. FULIFE KING ran second that day after storming home late after a tardy start; from a wide gate here you would expect a similar pattern and he could be hard to hold out. RED ROVER tried to match it with My Dreamliner in that same race and his effort to place was good and his recent form suggest he is the one to beat with Duric up from gate 4. AL GREEN is the other notable from that race (fourth) but the wide gate makes this tougher. Of the rest, BIRAZ will find Class 3 much easier than recent efforts in Group Company and is the improver, while SACRED SHAM first up with a nice trial under his belt can figure. Betting Strategy - RED ROVER win."

1	*20650	Biraz		B	App F Yusoff	D Meagher	10	79	59.0	***	12
Swooper who will find this Company more suitable than recent Group runs and could be hard to gold out late with 3kg claimer.											
2	211143	Red Rover		B, TT	V Duric	M Walker	4	79	59.0	***	3.00
In form, tried to match to with a good one last start and will play a part in this race.											
3	4**764	Sacred Sham		TT	App K Hakim	M Walker	6	79	59.0	***	12
Resuming in what looks a suitable race with a nice recent trial under his belt. Clam helps.											
4	257006	Darc Bounty		EM	S Noh	S Gray	3	78	58.5	**	20
Did it tough last start and not a mile away last start in similar affair so worth thought at value from gate 3.											
5	3*4901	Arc Triumph			J Powell	J Peters	12	73	56.0	*	20
Took a drop to Class 4 to win (again) and wide gate will test in this Company.											
6	1104*0	Burkaan		B, TT	Cc Wong	D Logan	8	73	56.0	*	33
Stopped quickly after leading when resuming but should appreciate the run.											
7	840160	Lonhro Gold		B, TT	App M Nizar	C Brown	9	73	56.0	**	20
Can mix his form but did it tough when resuming and did win three back in similar affair so keep safe.											
8	663582	Fulife King		TT	Jp Van Der Merwe	M Walker	11	72	55.5	***	5.00
Starts can be costly but ran on very well to place last start and wins one of these soon.											
9	741264	Al Green			P Moloney	S Gray	13	71	55.0	**	12
Gate a concern but competitive in this Company after Class 4 win four starts back and another to keep safe.											
10	4*1121	Watch Out Boss		B	R Woodworth	D Meagher	1	71	55.0	**	8.00
Up in Class after three Class 4 Poly wins from his last four starts, Gate 1 helps and should be competitive.											
11	51227*	Ararat Lady			R Maia	C Brown	5	69	54.0	**	8.00
Resuming. Competitive mare who has first-up form and should figure.											
12	371511	Pindus			R Munger	R Le Grange	14	68	53.5	**	12
Class 3 could test but found winning form since being ridden more quietly of late and should run hime strongly with no weight.											
13	081069	Unconquered		E1	D Moor	S Gray	2	71	55.0	*	50
Battling on late.											
14	3*2100	Effortless		E2		S Baertschiger	7	67	53.0	*	50

SINGAPORE TURF CLUB MEETING PREVIEW

Saturday March 7, 2020

RACE 10: CLASS 4 - 1200M (POLYTRACK) TIME: 17:50 PRIZE MONEY: S\$50000

Larry says, "Some interesting form lines to go on in the last on Sunday and while it's hard to fault the form of MY BIG BOSS who has two out of his last three and is suited here, others make more appeal. WONDERFUL KNIGHT showed first up in a similar affair he wins sooner than later in Class 4 and he should figure very prominently throughout and be hard to pass late. However, WATER ROCKET did some work last start over 1400m on the turf and his winning form prior - including this trip and track in Novice Company - suggest he can win a race like this and must go close. The oil in the ointment could be the newcomer from Argentina in KHAN who will enjoy the Poly on breeding and a local trial suggests he can have a big say with Pat Moloney up. Go wide in exotics and include some at value like PER INCROWN and ELITE SILVERGHOST. Betting Strategy - WONDERFUL KNIGHT win."
